## Our Fees

---

Our fees are affordable, competitive and all-inclusive, with no hidden surcharges. We will provide you with a pre-inspection consultation, on-site inspection, and a written report.

If a follow-up inspection(s) is required or requested, it will be provided to you at a reduced rate.

► *We will be happy to provide you with a quote.*

## FIRE INSPECTIONS LTD.

---

*Facilitating Life Safety and Fire Prevention*

---

---

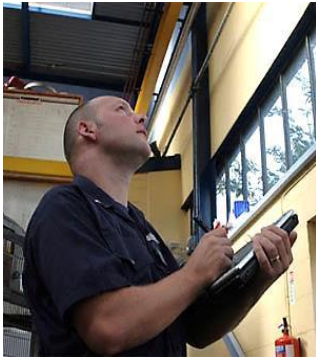

## Who We Are

---

**Maltese Fire Inspections Ltd.** facilitates life safety and fire prevention by performing on-site inspections in accordance with the *National Fire Code of Canada, Saskatchewan Fire Code, and National Building Code of Canada.*

### Certified Fire Inspector

A Maltese Fire Inspector possesses NFPA Professional Qualifications and is IFSAC certified. The Inspector has an extensive professional firefighting background, and has performed hundreds of fire hazard and life safety inspections over numerous years. The resulting experience and knowledge in the field is vast and comprehensive.

### Insured

Maltese Fire Inspections Ltd. is insured for both commercial and professional liability.

---

## What We Do

---

- Conduct Fire Hazard and Life Safety Inspections
- Conduct Fire Inspection Services for Municipalities
- Conduct Pre-purchase Fire Inspections

## Our Mission

---

Maltese will work with you to help you achieve a successful inspection – one that meets or exceeds applicable current code and life safety requirements.

---

## Who We Serve

---

We serve clients throughout Saskatchewan. Fire inspections are conducted for those who:

- Require an inspection to obtain or maintain licensing.
- Want to limit corporate and/or personal liability.
- Require an inspection to satisfy purchaser, lender, and insurance requirements.
- Want peace of mind.

Some of our customers include the owners/operators of:

- Apartments and condominiums
- Bed and breakfasts
- Businesses
- Camps
- Child care centers
- Government agencies
